## In-class supplies:

homework planner  
two pencils with erasers  
pocket folder  
composition notebook (any color but just for math!)  
a box of tissues OR a ream of white paper

## At-home supplies:

additional notebook(s) for later on plain white paper  
looseleaf paper  
ruler and protractor  
inexpensive scientific calculator

## Grading:

Tests 25%  
Quizzes 15%  
Homework 20%  
Class participation & activities 20%  
Projects 20%

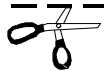

📌 Homework is evaluated on neatness, organization, and completeness. Each missing homework assignment will cause the homework grade to drop five points.

Late homework will not be accepted.

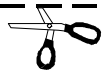

📌 Bonus points can be earned in various ways and applied to any individual classroom grade.

## Information:

- 📌 All students are expected to be in class on time and prepared.
- 📌 Every student must obtain the phone number and/or e-mail address of a classmate so that he or she may get missed assignments or help with homework.
- 📌 Check out our math class website for news, information and homework:  
**<http://www.mathemantics.com>**
- 📌 When a student is absent, he or she must make up any missed work. This may include tests, homework, missed notes, or any other work that needs to be completed.

I have read the math class requirements, and I am aware of Mrs. Ciliotta's expectations.
